Account Overview

Kasasa Tunes is a free variable rewards checking account with no minimum balance that rewards accountholders with reimbursements on iTunes, Amazon.com and Google Play purchases and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.

Purpose & Use Expectation

This account is intended to be the accountholder's primary checking account in which day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

5Star Bank reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right

to convert the account to a different checking account if the account does not have consistent active use over 6 consecutive Statement Cycles.

Qualifications

To earn your account rewards just do the following transactions and activities in your Kasasa Tunes account during each Monthly Qualification Cycle:

- Have at least 12 debit card purchases, post and settle
- Be enrolled in and agree to receive e-Statements
- Be enrolled in and log into online banking

Transactions must post and settle to the account during each Monthly Qualification Cycle and may take one (1) or more Business Days from the date the transaction or activity occurred to post and settle to the account.

“Business Day” means a calendar day other than a Saturday or a Sunday, January 1, the third Monday in January, the third Monday in February, the last Monday in May, July 4, the first Monday in September, the second Monday in October, November 11, the fourth Thursday in November, or December 25. If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a business day.

The following activities do not count toward earning account rewards: ATM-processed transactions, transfers between accounts, debit card purchases processed by merchants and received by our bank as ATM transactions, non-retail payment transactions and purchases made with debit cards not issued by our bank. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.

“Monthly Qualification Cycle” means a period beginning one (1) Business Day prior to the first day of the current Statement Cycle through one (1) [Business Day prior to the close of the current Statement Cycle.

“Statement Cycle” means the period of time for which 5Star Bank provides a summary of the financial activities and transactions that post and settle to the accountholder’s account.

Rewards

When Kasasa Tunes qualifications are met during a Monthly Qualification Cycle: (1) you will earn up to an aggregate total of \$10 (which includes any applicable taxes) in refunds for any iTunes, Amazon.com or Google Play purchases. In order to be refunded, iTunes, Amazon.com and Google Play purchases must be made with your 5Star Bank Kasasa Tunes debit card and must post and settle to your account no more than 30 days after the Monthly Qualification Cycle in which you qualified ends and (2) you will receive reimbursements up to an aggregate total of \$20 (max. \$4.99 per single transaction) for nationwide ATM withdrawal fees imposed by other financial institutions and incurred during the Monthly Qualification Cycle in which you qualified. An ATM receipt must be presented for reimbursements of individual ATM withdrawal fees of \$5.00 or higher. We reimburse ATM withdrawal fees based on estimates when the withdrawal information we receive does not identify the ATM fee. If you have not received an

appropriate reimbursement, we will adjust the reimbursement amount if we receive the transaction receipt within sixty (60) calendar days of the withdrawal transaction.

Reward Administration

iTunes, Amazon.com and Google Play purchases are refunded via a “grant” and “credit” process. On the last day of each Statement Cycle in which you qualify, we establish a refund “grant” of up to and including \$10.00 for your account. Each “grant” is valid for up to and including 30 calendar days. All iTunes, Amazon.com and Google Play refunds are “credited” against your account’s oldest active “grant.” If the account is closed, you will forfeit any refunds grants that have not been credited to your account. Rates and rewards are variable and at our discretion may change after account is opened without notice to you. No minimum balance is required to earn or to receive the account’s rewards. Rewards less than a penny cannot be distributed.
